

Third Revised Sheet No. 92—effective June 19, 1996

Fourth Revised Sheet No. 172—effective June 19, 1996

Original Volume No. 3

Substitute Sixteenth Revised Sheet No. 8—effective March 1, 1996

Questar states that the proposed tariff sheets (1) correct the pagination of Sheet Nos. 92 and 172 and (2) incorporate into Sheet No. 8 base tariff rates as accepted by the Commission in Docket No. RP95-407. Questar has requested waiver of 18 CFR 154.207 so that the tendered tariff sheets may become effective as proposed.

Questar states further that a copy of this filing has been served upon its customers, the Public Service Commission of Utah and the Wyoming Public Service Commission.

Any person desiring protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rule 385.211 of the Commission's Rules of Practice and Procedure (18 CFR 385.211). All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket No. CP96-757-000]

Transcontinental Gas Pipe Line Corporation; Notice of Application

September 4, 1996.

Take notice that on August 29, 1996, Transportation Gas Pipe Line Corporation (Transco), P.O. Box 1396, Houston, Texas 77251, filed in Docket No. CP96-757-000 an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon an exchange service between Transco and Chevron U.S.A., Inc. (Chevron), formerly Gulf Oil Corporation, under Rate Schedule X-182, all as more fully set forth in the application on file with the Commission and open to public inspection.

It is stated that pursuant to an April 5, 1978, exchange agreement, Transco receives up to 20,000 Mcf per day of gas from Chevron's reserves in the High Island Area Block 111, Offshore Texas and Chevron receives equivalent quantities of gas purchased by Transco in the South Timbalier Block 148, Offshore Louisiana. It is stated that the High Island 111 volumes are delivered into Transco's existing North High Island System and the South Timbalier 148 volumes are delivered into Chevron's existing Offshore Gathering System. Transco states that the primary term of the agreement is for 15 years from the date of initial delivery and from year to year thereafter until terminated by either party upon one year's notice.

Transco states that by letter dated August 15, 1996, Transco and Chevron have mutually agreed to the termination of the exchange service to be effective the date of the order approving such termination.

Transco also states that upon abandonment of the exchange service,

Transco will abandon in place, pursuant to blanket certificate authorization, the C&K South Timbalier Block 148 platform "A" meter station and 70 feet of platform piping located in Offshore Louisiana.

Any person desiring to be heard or to make any protest with reference to said application should on or before September 25, 1996, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Transco to appear or be represented at the hearing.

Lois D. Cashell,

Secretary.
